17	Please comment on what the Academy does particularly well.	<ul style="list-style-type: none"> • Informs me of any problems • Multi-sports events with other schools at college. • Right Respecting • Deals with bullying on a good level. • Good communication between staff and parents. • Communication, understanding and care of our children. • Helping with anxiety and confidence issues. • Being patient with our child. • Could improve by more inter-schools events such as the Trust events should be reinstated as they were particularly beneficial to small schools. It was goof for pupils to meet others ready for when they go to College.

Areas to Improve:

There is a good range of learning trips or visits during academy hours

We are constantly reviewing the opportunities for visits during the school day. We have to balance this with fitting in all the requirements of the curriculum and the costs to parents and the school budget for these activities. Due to our location, travel time and costs are always a consideration. However, the Head of School is committed to children attending more events, for example taking the whole school to St Piran's Parade in Launceston.

So far this academic year we have attended:

Methodist Church for Christmas performance
Christingle at the Methodist Church
Multi-Sports Festival at Launceston College
Basketball Festival with Plymouth Raiders
Multi Skills Competition at Launceston College

In School children have also had the opportunity to take part in:

Violin lessons

Samba Band

Stay Safe Workshop

Werrington Parish Choir came into school to sing with the children prior to the Christmas performance

NSPCC workshop
Plymouth Argyle Sports
Wild Tribe
Sugar Smart Minis – How to Keep Healthy
Bike Balanceability

We are also taking part in The RSC Shakespeare performance to be held at Launceston Castle in the summer term. We are taking part in Songfest this term to be held at Plymouth Pavilions. We are attending the Athletics Festival at Launceston College and the Multi-Sports summer festival. Cricket coaching with Brendon worth will take place at Werrington Cricket Club. We will also attend the cricket festival at Werrington Cricket Club. We have organised a Launceston Town Trail and Church Trail. Later in the year we will be taking the children to a local beach to learn all about recycling.

We will continue to review this.

Through parents evenings

We have trialed a new format for our parents consultation meetings this term. We have always had 10 minute meetings with parents and their child. This term we allocated 45 minutes per child. 15 minutes for family to look through work and discuss with their child and thirty minutes for the teacher, parents and child to talk in depth about learning. Verbal feedback from parents and staff has been positive.

Through Reports

We are currently reviewing our reporting format to parents in response to the survey and in line with our changes to parents consultation meetings.

I/we find the academy website helpful for finding out current information

The Chair of Governors has recently carried out an audit of our school website and we are fully compliant in terms of statutory information required to be published. However we have had verbal feedback from many parents who prefer to use Class Dojo as a means for communicating current information. Parents are notified of updates immediately on their phones. This has been the most successful means of communication we have used.
