

Continents & Coasts: Where in the world am I?

Key Concept: Place

Class 2 Home Learning Menu: Autumn Term 2 2021

Art/DT	Maths	English	Science	Computing	Other
<p>Design and build a 3D model of a famous landmark from a country of your choice.</p> <p>Cook a dish from a different continent.</p>	<p>What time is it? What time is it in other countries? Find out about time differences around the world.</p>	<p>Make your own passport ready to travel around the seven continents. Where will you go first? Plan your trip and put the stamps in your passport.</p>	<p>Have a go at one of these fun light experiments on https://buggyandbuddy.com/light-experiments-for-kids/</p> <p>Take a #Science Selfie</p>	<p>Use technology to learn about anything that has interested you from the knowledge organiser –how, is up to you!</p> <p>Ideas: Make a video using green screen Build using Minecraft Create a PowerPoint Use Word Use apps</p>	<p>Anything else you like! We love to hear about any learning going on at home, whether related to school learning or not! Show off what you've been learning at home in class or via Dojo!</p>

Weekly maths home learning.
 Weekly spelling tests will now be on a Friday. We will practice the spellings at school during the week and they will be in home learning books if you wish to practice at home.
 Reading at home is encouraged as often as possible! Accelerated Reader quizzes are taken in school when your child finishes their book. (Year 2 & 3). Please ensure Read, Write Inc. book folders are in book bags every day.
