

Reading Pathway

Start on the left hand side and work your way **ACROSS** the pathway. You must read something from each column. After each book fill in a book review and share it with your teacher and class.

Any book of your choice	A non fiction book of your choice	A book by an author you have not read before	A biography	A Science Fiction book	A book set in a historical context
Any book of your choice	A book set in a fantasy world	A mystery novel	An information text about a subject you know very little about	An autobiography	A book written by a classic children's author
Any book of your choice	An action adventure story	A book written as a diary	A poetry book	A comedy book	A play script
Any book of your choice	A graphic novel	A story from a different culture	A book by an author you have not read before	A book on a science subject that interests you.	A book of a film or story that has been made into a film
