

Dear families,

We hope you have had a wonderful and restful half term. The weather was absolutely gorgeous and we hope you were able to make the most of this great sunshine. Could we ask that children have sun cream applied before school, bring a named sunhat and plenty to drink please. We also would like to add that some brands of sun cream have changed their ingredients to include a nut oil. As we have a member of staff and student who has severe nut allergies, please can you help us by checking that the sun cream you have applied does not have

this ingredient.

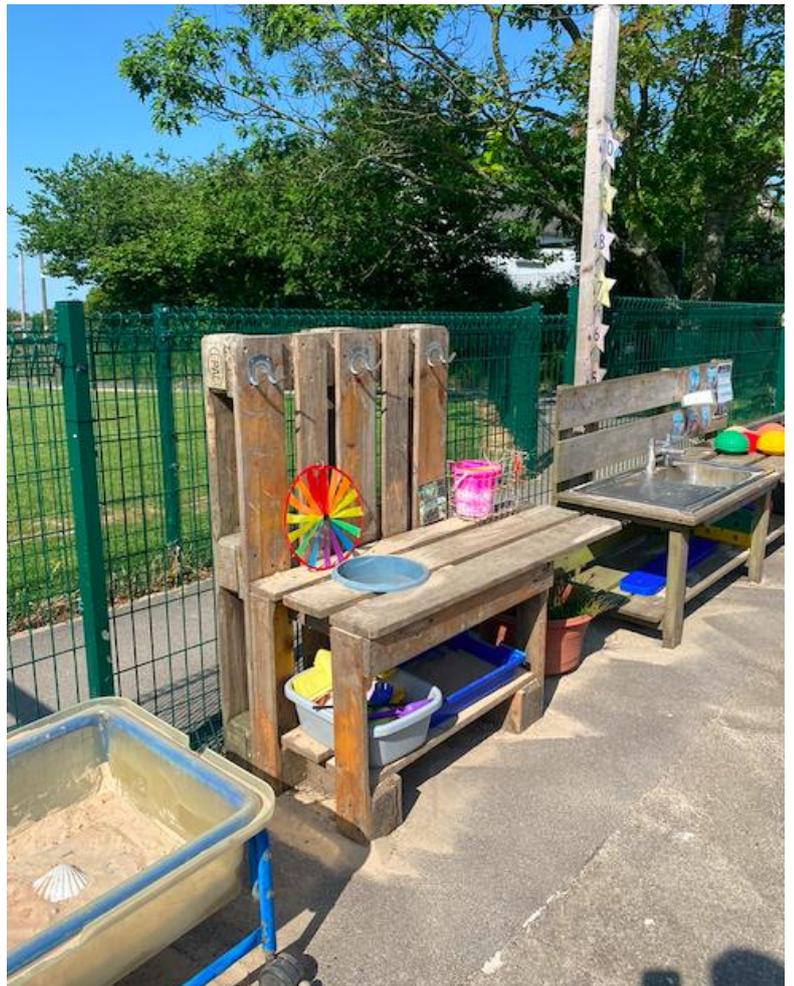

Over half term there has been a huge transformation to our playground. FOWSA have bought and constructed the most fabulous sensory garden. It absolutely took our breath away when we first saw it. The fresh smelling plants, solar water feature, three outstanding teepees with sensory mats inside, music area, water area are just to name a few. Here are some photos:

We have also had a good sort out of our play areas outside. Children now have a construction zone with drain pipes and other materials, a sand pit play area, an outdoor play kitchen, and a quiet 'office' in the parent shelter with a play phone, drawing equipment and blankets. We are so excited for the children to have a wide range of items to play with at break and lunch. This has been a well-deserved reward to a long and tedious year of building works and restricted zones to play in. We hope that you will help to encourage the children to take great care of our school so that it can continue to look as beautiful as it does for years to come.

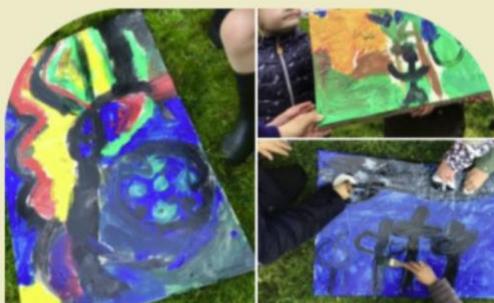

We have lots to look forward to this half term. Thank you for your continued support.

THE BIG PICTURE

A School's Together Event
hosted by AnDaras

4TH-5TH JULY '23

LAUNCESTON TOWN
HALL

FREE ENTRY
